104. Question of Korea.

To confirm the attached text of a telegram.

SECRETARY CC

To p.104(op) pr.PB No. 87

BY CIPHER

PYONGYANG

To Soviet Ambassador RAZUVAEV
Hand Over Immediately

For Comrade KIM IL SUNG

It has become known to me that the Korean people are in need of bread. We have in Siberia 50,000 tons of prepared wheat flour. We can send this flour as a gift to the Korean people. Telegraph your agreement. We can send the flour immediately according to your instruction.

With greetings. I. STALIN
