

TO THE ALBANIAN LABOR PARTY

CENTRAL COMMITTEE

TIRANA

The Central Committee of the Korean Workers' Party expresses its deepest thanks to the Albanian Labor Party Central Committee and all its members, for the warmest wishes that they had the kindness to send in the occasion of the 5th Congress of our party. We are happy to see that the brotherly relations of friendship and cooperation now existing between our two parties are going on very well, and we are convinced that these relations will be strengthened and furthered even more in the future on the basis of the principles of Marxism-Leninism and of the proletarian internationalism in our common struggle against the imperialism, with the United States imperialism at its helm, to the defense of socialism and communism. We sincerely wish to your people new successes in their struggle for the construction of socialism and the progress of the country.
